BWSSP-3/8 Complete Scorpion Air Whip Package

Included in the package is as follows:

- 3 pcs BWSS1A 5' x 3/8" I.D. Medium Flexible Rods
- 2 pcs BWSS1B 5' x 3/8" I.D. Stiff Rods
- 1 pc BWSSFB Flexible Duct Ball
- 1 pc BWSS3 Single Predator Whip
- 1 pc BWSS15 Mini Predator Whip
- 1 pc BWSS16 Octopus Predator Whip
- 1 pc BWSS4 Forward Skipper Ball
- 1 pc BWSS6 Reverse Skipper Ball
- 1 pc BWSSBVH Ball Valve with 5' clear braided tubing & Scorpion Female QD

\$654.00

This scorpion package is made up of rods and whips. The rods are hollow and carry high-pressure air to the interchangeable whips. These rods have quick disconnects so they can be joined together quickly and allow the agitation device up to 30' in the duct work. By purchasing additional rods, device can be efficient up to 100'. (NOTE: Higher air pressure is more productive and cleans easier.)

BWSTP-3/8 Scorpion Air Whip Starter Package

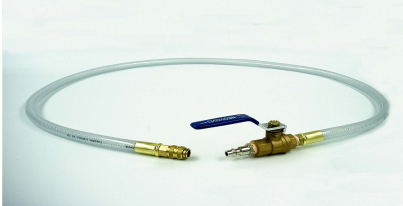

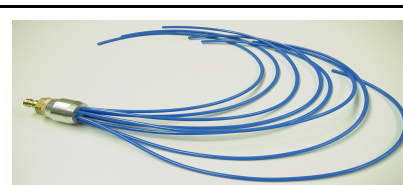

Included in the package is as follows:

- 3 pcs BWSS1A 5' x 3/8" I.D. Medium Flexible Rods
- 2 pcs BWSS1B 5' x 3/8" I.D. Stiff Rods
- 1 pc BWSS3 Single Predator Whip
- 1 pc BWSS15 Mini Predator Whip
- 1 pc BWSS16 Octopus Predator Whip
- 1 pc BWSSBVH Ball Valve with 5' clear braided tubing & Scorpion Female QD

\$429.00

LARGE ACCESSORIES

Super Collector E-Max Portable Vacuum Collector

The new Super Collector E-Max portable vacuum collection system packs more of everything you are looking for in a small portable package. It gives you the power to do commercial projects, the portability to do residential projects and the lowest operating cost in its class. E-Max delivers 7,000 "free air" cfm to maximize your productivity. The cleanable pre-filter and longer lasting high capacity HEPA filter gives you maximum savings year after year! Add it all up and the Super Collector E-Max gives you maximum productivity, profits and value!

Comes with: Cleanable pre-filter drawer, High capacity HEPA final filter, 2 x 1.5 hp motor (operates on two separate 15 amp circuits), 10" wheels, built in dolly with stair sliders, 2 - 25' power cord, 25' x 10" flex hose, 10" to 10" hose coupler, Extra cleanable pre-filter drawer

Dimensions & Weights: 24" (w) x 29" (l) x 48" (h) - 175 lbs.

Part No.	Description	Price
BW1-SCEM	Super Collector E-Max	\$6,745.00
(1)	Cleanable pre-filter drawer	
(1)	High capacity HEPA final filter	
(2)	1.5 hp motor (operates on two separate 15 amp circuits)	
(2)	3,500 cfm fans deliver a total of 7,000 "free air" cfm	
(2)	10" wheels, built in dolly with stair sliders	
(2)	25' power cord (12/3)	
(1)	25' X 10" Flex hose	
(1)	10" to 10" Hose coupler	
(1)	Extra cleanable pre-filter drawer	

Optional Items

BW2-SC01	10" Duct attachment collar	\$135.00
BWSC1510	Cleanable pre-filter drawer	\$220.00
BW2-SC12	HEPA filter (23.375" x 23.375" x 11.5")	\$280.00
BW2-SC03	Flex hose: 10" x 25'	\$280.00
BW2-SC1502	Wheel kit for cabinet handle	\$50.00
BW2-SC06	Dirt Bucket	\$520.00

The Super Collector E1.5 portable vacuum collection system delivers more performance (suction) in a smaller package at the lowest possible cost to give you the best value! No other portable vacuum collection system gives you the performance of the 1.5 hp motor and 3,500 cfm "free air" fan that gives you excellent productivity; the \$400 to \$1,000 annual savings of cleanable pre-filters; and the portability to get in and out quickly and easily. It's the perfect unit for residential, apartment, condo, marine and other air duct cleaning projects!

Comes with: Cleanable pre-filter drawer, HEPA final filter, Fan, 10" wheels, built in dolly with stair sliders, 25' power cord, 25' x 10" flex hose, 10" to 10" hose coupler.

Dimensions & Weights: 20.5" (w) x 28.75" (l) x 42.5" (h) - 115 lbs.

Part No.	Description	Price
BW1-SC15	Super Collector E1.5	\$4,800.00
(1)	Cleanable pre-filter drawer	
(1)	HEPA final filter	
(1)	1.5 hp motor (operates on 15a, 110v circuit)	
(1)	3,500 cfm "free air" fan	
(2)	10" wheels, built in dolly with stair sliders	
(1)	25' power cord (12/3)	
(1)	25' x 10" Flex hose	
(1)	10" to 10" Hose coupler	

Optional Items

BW2-SC01	10" Duct attachment collar	\$135.00
BW2-SC1506	Cleanable pre-filter drawer	\$205.00
BW2-SC1505	HEPA filter (18" x 24" x 6")	\$190.00
BW2-SC03	Flex hose: 10" x 25'	\$280.00
BW2-SC1502	Wheel kit for cabinet handle	\$50.00
BW2-SC1504	Outside exhaust kit	\$205.00

ROBOTIC INSPECTION SYSTEMS

The Super Trac V robotic system gives you more choices so you can design the robotic system that fits your needs and budget. Select from the basic one camera vehicle system (recommended for inspection & documentation only) or the two camera vehicle system (recommended for inspection & cleaning) and then add the options that best suit your needs. You can add power brushing, air washing, spraying and manual inspection packages. Add it all up and you have a Super Trac V system that is exactly what you want!

camera and 12 variable intensity lights

The Super Trac V One Camera System is the most economical robotic system that is designed for inspection and documentation projects. It's a great marketing tool because you can show your customer the before and after conditions. It allows you to inspect, narrate, record and make a DVD of your inspection on your laptop computer. It includes:

Super Trac V One Camera Vehicle System

BW1-ST02

\$6,550.00

- (1) 8.5" LCD color monitor
- (1) Analog to digital converter that connects to your laptop computer (you supply)
- (1) Recording and editing software for your laptop computer
- (1) Built-in microphone
- (1) 25' 110 volt power cord
- (1) Basic vehicle -- 6.75" (w) x 10.25" (l) x 5" (h) with front

- (1) Control Box
- (1) 100' Cable with connectors
- (1) Extra set of tracks
- (12) Extra light bulbs
- (1) Rugged, lockable road case: 22" x 18" x 9.5"

The Super Trac V Two Camera System is designed for inspection, documentation and cleaning projects. It lets you see forward and backward so you can better monitor your cleaning activities. It also lets you inspect, narrate, record and make a DVD of your inspection and cleaning on your laptop computer. It includes:

Super Trac V Two Camera Vehicle System

BW1-ST04

\$7,800.00

- (1) 8.5" LCD color monitor
- (1) Analog to digital converter that connects to your laptop computer (you supply)
- (1) Recording and editing software for your laptop computer
- (1) Built-in microphone
- (1) 25' 110 volt power cord
- (1) Basic vehicle with front camera with 12 variable intensity lights and rear camera with 12 variable intensity lights
- (1) Viewing switch to view front or rear camera image
- (1) Control Box
- (1) 100' Cable with connectors
- (1) Extra set of tracks
- (24) Extra light bulbs
- (1) Rugged, lockable road case: 22" x 18" x 9.5"

ROBOTIC INSPECTION SYSTEMS

SPRAYING PACKAGE

The spraying package is designed to apply coatings and sanitizers in ductwork from 6" to 20" high regardless of width. Coating insulation or duct board after cleaning locks down any remaining loose fibers and provides a much more durable air stream surface. A surface that is more resistant to the accumulation of dirt, moisture and other contaminants. Sanitizing sheet metal ductwork after cleaning provides a big plus in the fight to improve indoor air quality. The spraying package includes:

- BW2-ST02** Spraying Package **\$1,600.00**
- (1) 360 degrees spray nozzles for regular coating
 - (1) 360 degrees spray nozzle for thicker coatings
 - (1) 360 degree spray nozzle for sanitizers
 - (3) Spray wands (so you can spray 4", 6", 8", and 10.5" from bottom)
 - (1) Fluid coupler (used with airless sprayer)
 - (1) On/off control (used for airless sprayer)

AIR WASHING PACKAGE

The air washing package is used with your air compressor and is designed to provide you with the maximum air washing and whipping capability. It includes:

- BW2-ST01** Air Washing Package **\$ 750.00**
- (1) On/off control assembly
 - (1) Forward air sweep assembly
 - (1) Air broom assembly
 - (1) Octopus air whip assembly (14" whips)
 - (1) Tri whip assembly
 - (1) Single whip assembly

POWER BRUSHING PACKAGE

The power brushing package is used with your air compressor and provides superior cleaning over air washing or air whips because brushing provides more contact with the duct surface. The power brushing package is designed to clean ductwork from 8" to 22" high regardless of duct width and includes:

- BW2-ST03** Power Brushing Package **\$ 2,350.00**
- (2) Nylon brushes (18", 24")
 - (2) Silica carbide brushes (18", 24")
 - (1) Variable height assembly
 - (1) Reversible air motor assembly
 - (1) On/off control & pressure regulator assembly

Manual Inspection Package

The Manual Inspection Package let you conduct manual inspection in addition to your robotic inspections for even more versatility. The small color camera fits almost anywhere and like the robotic systems lets you inspect, narrate, record and make a DVD of your inspection on your laptop computer. It includes:

- BW2-ST07** Manual Inspection Package **\$ 1,250.00**
- (1) Color camera. 1.75" (W) x 1.75" (H) x 2" (l) with 2 bright light LED lamps
 - (1) 50' Camera cable
 - (4) 4' Flexible extension rod
 - (1) Vertical shaft inspection bracket
 - (1) Camera cart

Note: If you don't have a laptop or don't want to use a laptop we can add a DVD recorder/player (contact factory for details).

Also Available:
Super Inspector V Inspection System **\$3,200.00**

Optional Items

BWSIE012	(500 watt) Stepdown transformer (220 V to 110 V)	\$85.00
BWSIE060	Bright light lamp	\$15.00
BW2-ST28	Replacement orange track	\$45.00
BW2-ST05	Replacement 100' cable for single camera vehicle	\$420.00
BW2-ST06	Replacement 100' cable for dual camera vehicle	\$420.00
